Come Experience the Magical Makings of Music!

To optimize the learning of your child's musical development, we ensure they experience a variety of fun and engaging musical play! Kids and families soak up the magic of traditional, culturally diverse and original sing-a-longs, creative movement, dancing activities, exploring with sound, pitch and rhythm, finger plays, instrument play, and so much more!! We offer a balanced approach to structure and free flow play, so parents and their little ones can soak up all of the benefits and learning with ease and joy!
